**Congratulations! You have been accepted to the Georgia Institute of Technology!** We are pleased to offer you admission as a first-year student for the Fall 2020 semester.

[REDACTED] we are impressed by your academic achievements, as well as your involvement and impact outside the classroom. We are sure you will be presented with a lot of great college options, but we hope you will strongly consider choosing Georgia Tech!

As you know, Georgia Tech is a place where students enjoy a unique combination of academic excellence, a dynamic and diverse campus with world-class facilities, and the advantages and spirit of Atlanta. We are confident you will thrive here.

Our offer of admission is based on the high level of academic performance and personal character you have demonstrated to this point. Once you graduate from high school, we require that you send a final, official transcript to confirm you have maintained the quality of grades and courses on which we based this decision. We reserve the right to rescind our admission offer if there has been a dramatic decline in academic performance or rigor, or if there have been egregious behavior/disciplinary issues.

Please visit [admitted.gatech.edu](https://admitted.gatech.edu) to review the next steps to complete your enrollment. Prior to the May 1 deposit deadline, you must pay your non-refundable \$250 admission deposit, which will be credited to your Georgia Tech account. If this amount is a burden for your family, please [contact our office](#).

We look forward to welcoming you to the Georgia Tech family! We know that making your final college choice is a big decision, so if our staff can assist in any way, please let us know.

Go Jackets!
